

Parks

The City of Kenai's Parks & Recreation areas have many things to offer, including beautiful views, spacious green areas for gatherings, and sports of all kinds. If you are looking to become more involved in your community and connect with the environment, check out a few of our volunteer programs below. If gardening is something you're more interested in, take a look at our [beautification page](#) ^[1].

We do not allow overnight camping in our parks or open spaces without a permit from the City.

There is camping on both north and south beaches during the dip net fishery in designated areas; fees apply.

Park Reservations

The Parks & Recreation department maintains 11 designated parks within the City, six of which have reservable shelters with charcoal grills. These are great for summer gatherings, birthday parties, special events, or company parties. We also have two gazebos that are available to reserve for weddings or memorial services. The fee to reserve any of these shelters is \$15 plus tax with a \$50 deposit. The fee to reserve the gazebo and Leif Hansen Memorial Park is \$20 plus tax with a \$200 deposit. The deposits will be returned in the form of a check to the address provided on our reservation form. Please allow up to three weeks after the date of your reservation to receive your refund. In the event of damage and/or necessary cleanup after your reservation, a portion of the deposit or the full deposit, may **not** be refunded.
