AS A COMMUNITY GARDENER I WILL:

ASSUME responsibility for all seed, fertilizer, lime, equipment, tools and costs associated with my garden plot.

KEEP all hoses, watering cans, water buckets, and garden implements inside the boundary of my garden plot, as the City will be mowing walkways between gardens. I further understand that if my equipment is damaged due to my failure to comply with this, I am at fault, not the City of Kenai.

PROVIDE regular maintenance to keep weeds out of my garden.

SEEK approval from the Kenai Parks & Recreation Department before any pesticides are applied to my garden plot.

RESPECT my gardening neighbors and their plots.

NOT bring any animals into the Kenai Community Gardens.

NOT have or use any drugs or alcohol at the Kenai Community Garden.

CLEAN up my garden plot and remove all material by mid-October of the current year. I understand that failure to do so may result in the loss of future gardening privileges and a donation of all remaining equipment and materials to the Kenai Community Garden.

CLOSE all gates and SHUT off any water spigots opened by me upon leaving the gardening area.

REMAIN with my garden plot when irrigating. I further understand that water damage caused by my neglect may result in loss of gardening privileges.

AGREE not to sue and release all claims which may arise against the City of Kenai and its officers, employees, agents and authorized volunteers as a result of my participation in the Community Garden Program. I further agree to indemnify, hold harmless and defend the City of Kenai and its officers, agents, employees, and authorized volunteers from any and all claims by other parties resulting from injuries, damages, and/or losses caused by me arising out of, connected with, or in any way associated with activities of the program.

PAY a user fee of \$20 plus 6% tax per plot.

ALLOW the Kenai Parks & Recreation Department to allocate the available plot space of the Kenai Community Garden. Parks & Recreation personnel will provide regular turf maintenance as needed and will make every effort to roto-till all garden plots by Memorial Day of current year.
